

AquaDams® are very versatile, and can be easily customized to fit your specific needs and requirements. Due to the nature of customized units, some lead time may be required. For more information, please contact us at **1-800-682-9283** or email us at info@waterstructures.com. We offer installation and removal services, or one of our staff of trained professionals will supervise the project and teach your crew how it is done!
